CCPM06 – Agile Certified Professional Certification Preparation Programme (PMI-ACP)® (Virtual / Blended Lectures)

Description
This programme prepares candidates for the PMI-ACP® certification exam including:
- Pre-assessment of eligibility of all candidates prior to course confirmation
- Provision of CV templates, assistance with completion of CV's, quality check, online CV application to PMI®
- 2 day Agile Project Management Course with integrated case study (Face-to-Face)
- 5 x 2.5 hour virtual sessions via Webex (once a week) covering the Domains
- 1 x 2.5 hour Exam Preparation session via Webex with a 1.5 hour examanination

The purpose of this certification is to recognize and individual's expertise using agile practices in their projects, whilst demonstrating their increased professional versatility through agile tools and techniques. In addition, the PMI-ACP® certification carries a higher level of professional credibility as it requires a combination of agile training, experience working on agile projects and examination on agile principles, practices, tools and techniques. This global certification also supports individuals in meeting the needs of organizations that rely on project practitioners to apply a diversity of methods to their project management.

Learning Objectives
Successful candidates will become an Agile Certified Practitioner (PMI-ACP)® which is an internationally recognized certification.

Course Materials
Materials include:
- *PMBOK® Guide* - Sixth Edition
- Agile Practice Guide
- Agile Project Management - Jim Highsmith
- Access to elearning and online test questions for 90 days after course completion

Intended Audience
- If work in agile teams or if your organisation is adopting agile practices, then the PMI-ACP® is a good choice for you. Compared with other agile certifications based solely on training and exams, the PMI-ACP® is evidence of your real world, hands-on experience and skill.

Learning Time
The programme takes approximately 10 weeks on a part time basis to complete, including a minimum of 200 hours of self-study. Day lectures start at 08h00 and finish at 17h00. Webex sessions start at 09h00 and finish at 12h00.

Training Medium
3 Days Classroom training, plus 9 x 2.5 hour sessions via Webex.

Pre-Requisite Learning
To be eligible to take the exam, the learner must fit the following profile:

A minimum of 2,000 hours (+- 12 months) spent in general project management within the last 5 consecutive years. An active PMP® or PgMP® will satisfy this requirement.

PLUS:

A minimum of 1,500 hours (+- (months) working on project teams using agile methodologies within the last 3 years.

PLUS:

A minimum of 21 training contact hours in agile practices.
